Authorization to Sell Hametz

Note: If possible, all *hametz* – food not acceptable during Passover, or implements containing such unacceptable food – should be destroyed or given away before the holiday begins. Should this be impractical, the *hametz* may be stored in such a way that we are sure not to use it during the holiday and its actual ownership is transferred to a non-Jew until the holiday ends. For more information about how to prepare your home for Pesach, download the Rabbinical Assembly’s annual Pesach Guide at <http://www.rabbinicalassembly.org/pesah-guide>
