

# HEA University Summer Camp 2017

College prep can never start too early. Enroll your preschooler today! HEA University Summer Camp which will be held from June 12 - August 4, 2017. For your convenience you may sign up for weekly sessions. Our program is designed just for preschool age children ages 15 months (and walking) through kindergarten.

Summer School is organized into 8 one-week themes. Special events and guests will be announced throughout the summer. Our campers make new friends, experience a wide range of activities, and discover new talents with the help of our seasoned staff. HEA is the perfect place to learn a new sport, master a new skill, and realize endless potential, all while being cheered on by your camp family of friends.

Our morning camp (9-12:30) includes free play, art, literature, science & discovery, outdoor play, a morning snack, special activities on a rotating schedule, circle time, songs and music. Please send your child with a dairy lunch, sunscreen, a change of clothes, diapers (if needed) and a sheet for rest, if you have signed up for afternoon programming. Weekly water days will be Wednesdays and Thursdays. Campers should come to camp in their swimwear and bring a change of clothes. Afternoons (12:30-3:00) the fun just keeps going with mixed age play, rest time, sing-a-longs on the lawn, summertime games, sprinklers, bouncing around and strolls around the neighborhood.
